## Translation to English:

In the Name of Allah the Most Merciful the Most Compassionate

‘In the name of Allah. Allah is most great, Allah is most great, Allah is most great’ I say upon myself, upon my religion, upon my family, upon my children, upon my property, upon my companions, upon their religion, and upon their property.

One-thousand ‘In the name of Allah, Allah is most great, Allah is most great, Allah is most great’, I say upon my religion, upon my family, upon my children, upon my property, upon my companions, upon their religion, and upon their property.

One-thousand thousand ‘In the name of Allah, Allah is most great, Allah is most great, Allah is most great’, I say upon myself, upon my religion, upon my family, upon my children, upon my property, upon my companions, upon their religion, and upon their property.

One-thousand thousand ‘There is no strength nor power except by Allah, the High, the Most Great’, [I say upon myself...].

In the name of Allah, and through Allah, and from Allah, and towards Allah, and upon Allah, and in Allah – there is no strength nor power except by Allah, the High, the Most Great.

‘In the name of Allah’, upon my religion, upon myself, and upon my children.

‘In the name of Allah’, upon my property and upon my family.

‘In the name of Allah’, upon every thing my Lord has given me.

In the name of Allah, Lord of the seven heavens, Lord of the seven earths, and Lord of the mighty throne.

In the name of Allah, with whose name nothing can cause harm in the earth and the sky, and He is the All-hearing and All-knowing. (thrice)

In the name of Allah – the best of all names in the earth and in the sky.

In the name of Allah I commence, and with it I finish.

Allah, Allah, Allah.

Allah is my Lord – I associate no partner unto Him.

Allah, Allah, Allah.

Allah is my Lord: no deity exists other than Him.

Allah is more powerful, stronger, and greater than what I fear and guard against.  
In You, O Allah, I seek refuge from the evil of myself and the evil of others, and  
the evil my Lord has created, forged, and designed.

In You, O Allah, I seek protection against them.

In You, O Allah, I take refuge from their [various] evils.

And with You, O Allah, I repel their necks.

Between me and them I put:

(Say: He is Allah the One! \* Allah the eternally Besought of all! \* He begetteth not  
nor was begotten. \* And there is none comparable unto Him). [112:1-4] (thrice)

And [I say] the same [the basmallah and sūrat al-ikhhlāṣ] to my right and to their  
right; and the same to my left and to their left; and the same in front of me and in  
front of them; and the same behind me and behind them; and the same above  
me and above them; and the same below me and below them; and the same  
encompassing me and encompassing them.

O Allah, verily I beseech You, for my sake and theirs, for whatever You choose  
from Your goodness which no one other than You possesses.

O Allah, put me and them in Your divine servitude and protection, in Your  
protectorship, in what is entrusted unto You, in the midst of Your party, in Your  
sanctuary and shelter – from every demon, possessor of power, human or jinn,  
from tyrants and enviers, from predatory beasts and serpents and scorpions, and  
from every crawling creature under Your control. Verily, my Lord is upon the  
straight path!

The Lord suffices me from all who are subject to others.

The Creator suffices me from the created.

The Sustainer suffices me from those who are sustained.

The Concealer suffices me from those who are concealed.

The Giver of Victory suffices me from those who are granted victory.

The Vanquisher suffices me from those who are vanquished.

The One who suffices me is my sufficiency.

He who never ceases sufficing me suffices me.

My sufficiency is Allah, and what a great agent is He!

Allah suffices me from [needing] His entire creation.

(Verily, Allah is my protector, who sent down the Book, and he looks after the righteous). [7:196]

(And when thou recitest the Quran We place between thee and those who believe not in the Hereafter a hidden barrier \* And We place upon their hearts veils lest they should understand it and in their ears a deafness; and when thou makest mention of thy Lord alone in the Quran they turn their backs in aversion). [17:45]

(Now if they turn away (O Muhammad) say: Allah sufficeth me. There is no God save Him. In Him have I put my trust and He is Lord of the Tremendous Throne). [9:129] (seven times)

There is no strength nor power except by Allah, the High, the Most Great. (thrice)  
And may the prayers of Allah be upon our master Muhammad and upon his folk and Companions, and may He give them peace.

I conceal myself within the coffers of 'through the name of Allah'. Its locks are my trust in Allāh. Its keys are 'there is no power except by Allah'. Through You, O Allah, I protect myself from what lies within my power and what lies without. Created creatures are powerless [when faced] with the ability of the Creator.

My sufficiency is Allah, and what a great agent is He! There is no strength nor power except by Allah, the High, the Most Great. And may the prayers of Allah be upon our master Muhammad and upon his folk and Companions, and give them peace. (thrice)
